The Mission of the **Bar Foundation** of the Bucks County Bar Association, consistent with its charter and as a 501(c)(3) charitable entity, is to promote and support programs, organizations, and individuals throughout Bucks County who are engaged in activities designed to foster respect for the rule of law, the advancement of rights, liberties and protections under the law as well as activities which have as a principal purpose the advancement of social justice for the individuals, families and communities of Bucks County.

The Bucks County Bar Foundation is the charitable arm of the Bucks County Bar Association. The Foundation's mission to go out into our community, on behalf of all Association members, to promote the idea of justice through the good deeds of our Association members and then publicize what we have done. We are here to help our community members and to improve our profession's image in our community, all at the same time.

BCBF has provided support for charitable, law-related projects and programs in the community and donated tens of thousands of dollars in past years to local charities and organizations such as: Legal Aid of Southeastern Pennsylvania, Doylestown FISH, Tabor Home, Network of Victims Assistance and the Lenape Valley Foundation. We have gone into area elementary schools to teach a program on constitutional law and given each and every student their own copy of a child-friendly colorful picture book on the topic, as well as a gavel-shaped pencil. For some children, that may be the only book they will receive as a present all year.

We continue to award the Thomas E. Mellon, Jr. Scholarship and the William Penn Scholarship on an annual basis. The Thomas E. Mellon, Jr. Scholarship fund was created in memory of former BCBA President Thomas E. Mellon, Jr.. In his memory, we encourage BCBA members to make a contribution to the scholarship fund each and every Saint Patrick's Day to remember Tom for the many invitations to his firm's legendary St. Patrick's party.
