Please see the below message from Laurie J. Besden, Esq., Executive Director of Lawyers Concerned for Lawyers of Pennsylvania, Inc.:

*I wanted to be sure to let all of you know that LCL is fully operational during this time of uncertainty. We have one staff rotating in the office each day to ensure every helpline call will be thoroughly handled. Our volunteer base of 295 law students, attorneys, and judges are ready, willing, and able to assist any lawyer or family member of a lawyer that may be struggling.*

*Please let your membership know that LCL is here and available to assist them during this difficult time. Our 24/7 helpline is 888-999-1941. Our experienced base of health care professionals are scheduling tele-health sessions. All of our services are free, confidential, safe, and supportive. **Our website is also a wealth of information [www.lclpa.org](http://www.lclpa.org). Under the resources tab on our website, there are 5 CLE programs that are available to be watched, free of charge, and will give the attorneys ethics credits.** I am sure you already know this but the April 30th CLE compliance period has been extended until August 31st.*

*I am linking our [lawyers brochure](#) to this email and encouraging you to share it with your membership.*

*As a reminder, we are able to present via zoom to your membership at this time. Please contact Brian Quinn, Esq., LCL's Education and Outreach Coordinator to schedule same at [brian@lclpa.org](mailto:brian@lclpa.org).*

*Thank you for all you do,*
