Re: Electronic Probate Program Fast Track Option

In light of the ongoing Covid-19 pandemic, our office continues to develop an electronic probate program to better serve the needs of our community.

We are pleased to announce our "Fast Track Option" for electronic probate. Members of the Bar and others may send the original will, original death certificate, plus any other necessary original documents, as well as an unsigned Petition for Grant of Letters, to our Doylestown office via overnight tracked mail. Include a prepaid, self-addressed overnight mail return envelope with your submission. Once a complete probate packet is received and reviewed, we will proceed to schedule the videoconference to administer the oath of office and to collect the necessary fees.

We invite comments and suggestions to improve this program directed to eprobate@buckscounty.org.

Thank you for your input and your patience as we navigate these unprecedented times.
