Re: Electronic Marriage Licenses and New Discount for First Responders and Medical Personnel

In light of the ongoing Covid-19 pandemic, our office continues to develop our electronic marriage license program to better serve the needs of our community.

Our office offers a discounted marriage license to our military veterans and those currently serving in the military.

In recognition of the important work being done by our first responders and medical personnel during the current pandemic, our office is pleased to announce discounts for first responders and medical personnel who seek a marriage license.

The cost of a marriage license is usually \$83.00, including credit card fees. Licenses for military veterans, and now first responders and medical personnel, are discounted to \$63.00.

Couples seeking a marriage license are invited to apply at our website, www.buckscounty.org/rowocrecords, to efile a marriage license application, make payment, and schedule a videoconference. The discount for serving military and veterans, first responders and medical personnel is on the payment page.

Our office is honored to extend our marriage license discount to all those who put their health and safety on the line at this difficult time.
