

BUCKS COUNTY BAR ASSOCIATION

LRIS
LAWYER REFERRAL AND INFORMATION SERVICE
2024 APPLICATION

**The Bucks County Bar Association Lawyer Referral and Information Service
Mission Statement
2024**

The Bucks County Bar Association has established its Lawyer Referral and Information Service to assist persons willing and able to pay usual and customary attorney fees in securing appropriate legal representation by referral to participants in the BCBA LRIS program. LRIS will endeavor to help an inquirer determine if the problem is legal by screening and, when possible, refer non-legal matters to county, government or consumer agencies as appropriate. Persons identified as needing legal representation and who do not claim inability to pay an attorney will be referred by LRIS to a participating attorney. LRIS participation is open to all attorneys licensed and eligible to practice in the state of Pennsylvania.

Inquiries from those who appear to be unable to pay reasonable fees for legal representation will be referred to the Bucks County Legal Aid Society, Public Defender's Office or other providers of legal services on a pro bono basis. Individuals who cannot afford usual and customary fees and yet do not qualify for representation through Legal Aid, the Public Defender's Office or other providers of pro bono service, may qualify for and receive representation through the Lawyer Referral and Information Service marginal referral program.

2023 Policies of the BCBA Lawyer Referral and Information Service

1. The LRIS subscription year runs from January 1 to December 31.
2. To be a member of LRIS, you must have an office located in Bucks County. Referrals will only be made to offices located in Bucks County. If an attorney has more than one office, clients will only be referred to *one* office location to be chosen by attorney.
3. Each panel member is required to carry professional liability insurance in the amount of \$100,000/\$300,000 or \$250,000 aggregate and provide proof of such insurance to the LRIS.
4. In the case of local “Regular” referrals, the LRIS Administrator will collect the referral fee and make an appointment for the client or call/transfer client directly to attorney’s office. We cannot allow an attorney to screen the client by phone to determine if he/she wants to take the case.
5. In the case of the “Out Of State” referrals, the LRIS Administrator will collect the referral fee and set up a phone consultation for the client to call the referral attorney.
6. **Membership in a LRIS panel is on an individual basis. Referrals can ONLY be made to an attorney who has signed up for a particular panel. If a referral attorney cannot or does not want to be retained by the LRIS client, he/she is to refer the client back to the LRIS for a referral to the next LRIS attorney on the list. An attorney in the LRIS is not permitted to refer a Lawyer Referral and Information Service client to another attorney in his firm or to refer the LRIS client to any other attorney.**
7. All referrals are made on a rotation basis determined by the client’s problem, geographic location and availability.
8. In the event clients are not able to keep their scheduled appointment, they are informed it is their responsibility to call the attorney’s office to cancel or reschedule the appointment.
9. In order to receive his/her \$25.00 initial Consultation Fee from the LRIS, the attorney is required to sign and mail, fax or email the Confirmation Report back to the LRIS. **Important:** The consultation fee will not be paid unless the LRIS attorney returns his/her **signed Confirmation Report within 90 days from the date of the original referral.** It is not the responsibility of the LRIS to make sure Attorneys return this form.
10. In cases involving Personal Injury, Medical Malpractice, Worker’s Compensation, Product Liability, Car Accident/Plaintiff and Social Security Disability the initial consultation fee is waived.
11. In the case of out of county attorneys requesting a referral, the referral fee is waived as a Professional Courtesy. The out of county attorney will be given the names of two LRIS panel members. If a referral attorney is retained for the matter, it is the responsibility of the attorney to inform the LRIS.
12. Subject Matter/Experience Panels will be in the following areas of law: Mediation, Criminal, Family Law & the DOL Project. In order to sign up for a Subject Matter/Experience Panel, you must return your signed Subject Matter Application **each year** stating you continue to meet the criteria necessary to remain on each of these panels.
13. The LRIS clients are informed that the referral fee only entitles them to a half-hour initial consultation. Any further fee arrangements are made directly between the attorney and the client. It is recommended that **if** there is to be an additional fee should the appointment run longer than the allotted half hour, the attorney should inform the client at the beginning of the initial consultation.

14. Exclusive of the original \$25. Consultation Fee, LRIS attorneys shall remit to the Bucks County Bar Association ten percent (10%) of **all** their paid legal fees, e.g. if an attorney receives \$200.00 for his/her services rendered, then the LRIS is owed \$20.00. Case Progress and Remittance Reports of all an attorney's open cases are sent to LRIS panel members each quarter. Attorneys are required to complete, sign and return these reports to the LRIS each quarter. Do not increase your fees to compensate for the remittance fee. **Please note:** The 10% Remittal Fee only pertains to "Regular" referral cases, NOT "Marginal Civil or Marginal Criminal" referral cases. *(For all open cases referred prior to 2014, the Remittance Fee owed for these cases only will continue to be 10% of all fees above \$500.00.)*

15. The status of all cases referred to LRIS' attorneys will not be designated as closed for **one year from the date of the original referral** and, therefore, will remain on quarterly reports for an entire year. For that time period, Attorneys should still therefore continue to indicate the status of the case originally reported according to their records, e.g., Conference Only, Possible Additional Service, etc.

16. The 10% Remittal Fee is required for all cases **related to, or stemming from**, the original subject matter that the attorney was referred by LRIS. For example, the Remittance Fee would also be required for custody and support if the attorney was hired for a divorce matter. Any issues as to whether a matter arises out of the same subject matter of the original referral will be determined by the LRIS Committee in its sole and absolute discretion.

16a. There exist certain instances where the LRIS 10% Remittance Fees will be owed **for a period of three years** from the date of the original referral:

- 1) A potential client/referral is looking for one attorney to service **multiple needs** at the time of the initial referral. As an example, an individual client looking for an attorney to service various business matters that can/will occur during the course of conducting business. All matters handled for this client are subject to the 10% Remittance Fees for a period of three years.
- 2) A potential client/referral is looking for one attorney to service **numerous clients**. As an example, a business entity such as a Nursing Home looking for an attorney to help with their residents needs, such as Power of Attorney, Wills or other estate matters, etc; or, as another example, a Financial Planner with multiple clients each needing the services of an attorney for various matters. All matters handled for each of these clients are subject to the 10% Remittance Fees for a period of three years.

In such cases, the LRIS staff will inform the LRIS attorney at the time of the original referral that this referral will be classified as OPEN for a period of three years from the date of the original referral and all fees collected as a result of these referrals are subject to the 10% Remittance Fees.

17. Remittance Fees shall be sent and are due to the LRIS as the referred case progresses and as attorney's fees are received. Failure to pay the Remittance Fee according to the above policies shall result in suspension of referrals.

18. It is the continuing responsibility of the LRIS attorney to pay all remittance fees owed for all of his/her cases in the event his/her membership is discontinued or suspended or should the attorney change law firms. If the referred attorney does not retain the case and the client remains with his/her previous law firm, the remittance fees for any LRIS client are still owed by the law firm until the case has been completed. All LRIS rules continue to govern these cases.

19. Responsibility for Remittal/Remittance Fees – Policy #6 prohibits under all circumstances the referral of a LRIS client to another attorney. Violation of this policy is grounds for removal or suspension of a panel member. In the event of a violation of this policy, the remittance fees are still owed for the LRIS referral client. Should the non-LRIS attorney refuse to pay the appropriate remittance fee, then the LRIS attorney who originally was referred the client is deemed responsible for the payment of the appropriate percentage fee to the LRIS based upon the total attorney fee generated for the case.

20. In the event of the retirement or death of an LRIS attorney, all LRIS cases originally referred to the attorney remain subject to the Policies of the Lawyer Referral and Information Service. Therefore, any LRIS cases taken over by another attorney or firm for the retired attorney, or that become part of the deceased attorney's estate, remain subject to, and continue to be governed by, the rules and policies of the LRIS.
21. All Confirmation Letters and Quarterly Remittance Reports shall be signed by LRIS attorney assigned to each case. Attorneys are responsible for the correctness of these reports and any errors or omissions contained in these reports.
22. If requested, LRIS attorneys are required to give the Bucks County Bar Association access to their financial records for any clients referred to the attorney by the Bucks County Lawyer Referral and Information Service.
23. Marginal **Civil** Referrals: Attorneys participating in the Marginal Civil Program agree to charge the LRIS referral client a maximum hourly rate of \$100.00 after the initial consultation. Also, the maximum allowable retainer fee in these cases is \$1,000.00. These referrals shall be **exempt** from the 10% remittal requirement.
- 23a. Marginal **Civil** Referrals: LRIS staff uses Legal Aid guidelines to determine if a client qualifies for the Marginal Civil Program. LRIS staff informs the client that the attorney who takes their case may ask for the client's financial records (pay checks, banking account information, etc.). Asset guidelines for the Marginal Civil Program: Liquid assets can not exceed \$3,500.00 for individuals and \$5,000.00 for families.
24. Marginal **Criminal** Referrals: Attorneys who are referred Marginal Criminal clients waive the initial consultation fee of \$25.00. Attorneys accepting Marginal Criminal referrals agree to negotiate a reduced fee based on the client's ability to pay. These referrals shall be **exempt** from the 10% remittal requirement.
25. If an attorney, after meeting with a **marginal** client, determines that this individual is not a marginal client and decides to charge his/her normal fee, then it is the attorney's **responsibility** to contact the LRIS so that the referral can then be tracked as a regular referral and is then subject to the 10% remittance fee due the LRIS.
26. Attorneys who agree to handle non-domestic relations **marginal** civil cases on a **contingent fee** basis and opt to charge their regular, unreduced, contingent fee **must notify** the LRIS Administrator of the change in status from "marginal" to "regular" referral. These referrals are then subject to the 10% remittal requirement.
27. **Veterans Program Referrals: LRIS staff will use the client's DD Form 214 to determine if a client qualifies for the Veterans Program.**
28. **Veterans Program Referrals: Attorneys participating in the Veterans Program agree to waive the initial consultation fee of \$25.00. These referrals are subject to 10% remittal fee due the LRIS.**
29. At the completion of each referral, the client is sent information confirming the name and address of the referral attorney. Included with this mailing is a Client Satisfaction Survey for the client to fill out and return in the enclosed prepaid stamped addressed envelope to the Bar Association. Surveys may also be sent out randomly and, in particular, when a referral attorney informs the LRIS the case is closed and fee paid in full.
30. Membership in the LRIS requires an attorney to submit to the Fee Dispute Committee whenever a LRIS client referred to an attorney requests disposition by the Fee Dispute Committee.
31. Regulation of Panel Membership – Suspension/Removal – The LRIS Administrator has the authority to review a panel member's continuing eligibility and to adjust panel membership when deemed appropriate. The LRIS Administrator may remove or suspend a panel member at any time for good cause. Reasons for removal or suspension include but are not limited to the following:
- a. Suspension, disbarment or resignation from the practice of law;

- b. Failure to obtain, maintain and report to LRIS legal malpractice insurance;
- c. Failure to pay the BCBA annual dues;
- d. Failure to forward remittance fees due the LRIS;
- e. Failure to file timely reports and summaries required by the service;
- f. Failure to adhere to the Rules and Policies of the LRIS;
- g. Referring LRIS prospective clients to another lawyer, including firm members. (If the LRIS attorney is unable to assist the client, he/she must refer that client back to the LRIS.)
- h. Consistent or excessive complaints from referred clients;
- i. Falsification of any material statement made in application to the Service or in any required report.

If the LRIS removes or suspends an attorney, the LRIS shall send a letter to the attorney conveying the reasons for his/her removal.

An attorney who has been removed or suspended from the LRIS will be offered the opportunity to make a written or oral response at the next regularly scheduled LRIS meeting. If the committee fails to reinstate the panel member, the Committee will provide the attorney with a written statement of its reasons within 30 days of the meeting. The attorney may then appeal this decision to the BCBA Board of Directors.

32. All new members to the BCBA will be offered a 2nd LRIS Major Panel at no charge. If they sign up and pay for the first Basic Law Panel, LRIS will give them the 2nd Major Panel for free until the end of that subscription year.

33. Failure to adhere to the LRIS Policies will result in *suspension or removal*. Please review all LRIS Policies, in particular, #19 and #31.

What are Subject Matter Panels?

“Subject Matter” or “Experience” Panels are terms used to describe those areas of practice specifically designated by the lawyer referral service for which attorneys desiring to register must demonstrate they have achieved a certain predetermined level of competence. Experience Panels differ from other panels offered by lawyer referral services in that it is necessary to meet more stringent requirements beyond the basics for lawyer referral participation.

Usually, lawyer referral services have a certain number of areas of practice from which an applicant may choose, and the applicant qualifies by meeting the overall requirements for participation. If the attorney wishes to sign up for the special panels, however, it becomes necessary to fulfill additional requirements which may include providing information regarding a certain number of cases handled in that field, continuing legal education courses taken or taught, and number of years of practice in that particular field. Often, there is an additional fee as well.

Each service designs its own criteria, usually in consultation with the governing committee, staff and recognized “experts” in each particular field. Once these are established, an application goes through the approval procedure to ensure the proper criteria are met. It is important to remember that with experience panels, it is not enough to simply demonstrate a certain number of years of experience in the particular field. In other words, “experience” does not mean solely “years in practice.”

Why have Subject Matter Panels?

Lawyer Referral and Information Services set requirements for participation beyond admission to practice because consumers contact bar association-sponsored lawyer referral and information services with the expectation of a referral to a competent attorney. There is an implied “good housekeeping seal of approval” associated with a bar association referral. As a public service, the association takes steps to ensure a certain measure of quality along with that referral. Experience panels raise the bar a little higher, and actually make it easier for the service to present that assurance of quality.

The ABA Model Rules, approved by the ABA House of Delegates in August of 1993, say that “a quality lawyer referral service should have such panels.” In order to qualify as a service that meets ABA standards, a lawyer referral service must have a number of subject matter panels.
