# WHAT IS THE BUCKS COUNTY BAR FOUNDATION?

The Bucks County Bar Foundation (BCBF), established in 2004, is the charitable arm of the Bucks County Bar Association. We promote access to justice here in Bucks County by providing financial support for charitable, law-related projects and programs in the community. The membership of the Bar Association provides pro bono legal services to residents of Bucks County in need, and it is the mission of the Foundation to provide independent and sustained financial support for the coordination of those pro bono programs. These programs include:

- **Child advocacy and protection in our court system;**
- **Support for the Mortgage Conciliation program that helps homeowners seek a resolution of mortgage foreclosure actions;**
- **Free representation in Protection From Abuse (PFA) cases;**
- **Veterans Treatment Programs;**
- **Support for legal representation for low-income and vulnerable Bucks County residents**

In addition, the Foundation created and continues to fund & administer two college scholarship programs for Bucks County students pursuing careers in the law along with providing civics education to local elementary school students through the Learning with Lawyers Program.

Supporters of the Foundation will be recognized annually at the level that corresponds to the total giving of the donor. Whether you are a law firm who feels a professional obligation to give back to our community, or a Bucks County business who is seeking deeper, broader and more meaningful opportunities to serve justice in our community, sponsoring a Bucks County Bar Foundation event will help to establish a permanent resource to improve access to justice in Bucks County. With your help, we can ensure that legal assistance will always be available when it is needed most. We invite you to join us in envisioning and creating a world in which people have equal access to justice regardless of their financial status, race, color, national origin, gender, sexual orientation, religion, or age. Together, we can make this vision a reality.

# ANNUAL OPENING OF ASSIZES CELEBRATION - 2.8.2024 AT THE BUCKS COUNTY BAR ASSOCIATION

The Bucks County Bar Association proudly commemorates the historic tradition known as "Opening of Assizes". The word assize refers to the sitting or sessions (old French assises) of the Judges, known as "Justices of Assize", who were Judges who travelled across the seven circuits of England and Wales on commissions of "oyer and terminer", setting up court and summoning juries at the various assize towns.

Opening of Assizes is our first large event of the year where we celebrate the new leadership on our Board of Directors. We hold a 1 hour CLE followed by a social event; the theme for the event changes year to year and is decided by the President. Past themes have included a comedy club, game night, drinks around the world, and Super Bowl. 2024 theme TBD. This event typically has 100+ attendees.
