OPENING OF ASSIZES

February 12th at the BCBA

The Bucks County Bar Association proudly commemorates the historic tradition known as "Opening of Assizes". The word assize refers to the sitting or sessions (old French assises) of the Judges, known as "Justices of Assize", who were Judges who travelled across the seven circuits of England and Wales on commissions of "oyer and terminer", setting up court and summoning juries at the various assize towns.

Opening of Assizes is our first large event of the year where we celebrate the new leadership on our Board of Directors. We hold a 1 hour CLE followed by a social event; the theme for the event changes year to year and is decided by the President. Past themes have included a comedy club, game night, drinks around the world, and Super Bowl. This event typically has 100+ attendees.
